FOREWORD

We, the nineteen members of the Sunrise Staff, present this, the 1950 Annual, to three distinct groups at East High School.

May you in the Junior High receive a clear picture of the many clubs, organizations, athletics, and intra-school activities in which you can participate. May our portrayal be an incentive to you to do great things for your school.

For the tenth and eleventh graders our hopes are strong that you will emulate or copy those who have just graduated. Where they have been good scholars you must be better; where they have been good athletes you must be better; and where they have been good leaders you must be still better.

To the graduating class we present this yearbook, confident that it will hold for you a record of everything important that has transpired at East High during your senior year. May its memories be a joy to you, always.

Best of luck to a swell kid. Hope you succeed in the future.

Best of luck & loads of success to a swell "goat" & fellow classmate.

"50"

We, the Senior Class of 1950, wish to dedicate this annual to Mr. Raymond J. Gardner.

We will always remember him from our ninth grade science classes, for his help in our attempts to organize our class with various social events, for his fine job of coaching our cross-country team, and for many other things too numerous to mention.

For the past three years he has been the loyal advisor of our Sunrise staff. It is due to his time and energy that you now have these treasured annuals.

Through our sundry dealings with him we have come to regard Ray J. as one of our personal friends as well as one of our teachers.

ADMINISTRATION

HAROLD D. LEBERMAN

Principal

In September of 1945, Mr. Leberman came to East High as our new principal. His administrative ability and his keen interest in the welfare of East High School have won the sincere admiration of both the faculty and the student body.

Mr. Leberman has proved himself one of our best friends. He is interested in our problems, no matter how trivial, and is always willing to give a little helpful advice. We, at East High, are fortunate in having a man with such a pleasant personality at the head of our school.

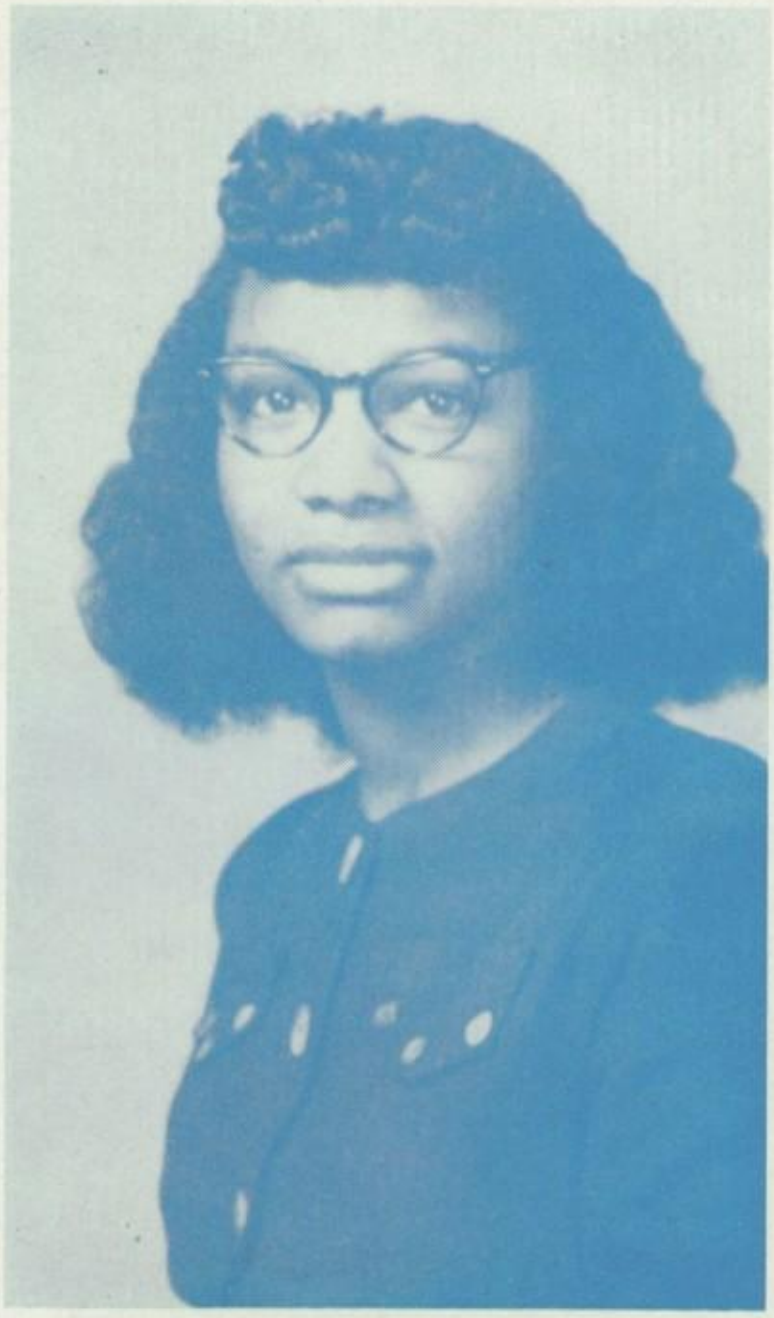
IN MEMORIAM



Bertha Cameron

The senior class, in the summer of 1949, lost one of its friendliest members. Her sweet southern accent and cheerful smile were a joy to her classmates and teachers alike. Bertha will always be remembered for her friendly congenial ways.

A Bright Tomorrow

This is the greatest moment of our lives. This is the day we have been preparing ourselves for.

The subjects we have studied will enable us to go into our chosen profession, whatever it may be. Every day we will discover how we are using our high school education in all that we do and say.

But high school has not all been English, history, and algebra. No, there are other things that will never be forgotten—as the note passing in study hall; the noise of the crowded halls; the day we had our graduation pictures taken; the thrill of receiving our class rings; the way we cheered at the football games; the fun we had at the Sadie Hawkins' Day Dance; and the smile and "Hello" Mr. Leberman gave us when he met us in the hall.

Then came Christmas and with it the fun we had at the Holly Hop. We'll never forget the antics we went through on Class Day; the way we cried when we sang the school song song for the last time; and the way our hands shook when we were given our diplomas.

High school has been so many things—the classes we have attended, the friends we have made, and the teachers who have helped us to be the kind of people we want to be.

Truly, these have been the greatest years of our lives.

The Choir sang before the Kiwanis Club of Erie, at the Christmas Concert, Edison School, and the Annual Spring Concert.

These activities keep Mr. Burger and the band very busy rehearsing during second period every day.

The band, very colorful in its scarlet and gray uniforms, is very ably assisted by the twirlers.

By using a system of drilling on scale exercises and rhythm exercises, Mr. Burger is turning out very many students who will add much to the advanced organizations.

The Jr. Band's big moment is when they play in the Spring Concert. They have a part of the program for themselves and then join the Seniors to form a massed band.

The Student Cabinet is composed of members of all the grades and the Sunrise Staff, the Tom Tom Staff, and the Honor Society. In order to become a member of this organization, one must be elected and voted on by the different home rooms. Once a member, it is his duty to help make arrangements for the "Eastcapades" and to plan the "paid auditoriums" which the students enjoy very much.

It is a great honor to be a member of this group. It is a stepping stone between the students and the teachers.

DEMOCRACY IN ACTION

1st Row: G. Spronatti, M. Cochran, D. Lloyd, D. Klein, L. Pappas. **2nd Row:** P. Tomilin, E. Zielinski, R. Hilbert, M. Lashoff, E. Zielinski, R. Kraus, J. Brzezinski, R. Anderson. **3rd Row:** M. Delinski, E. Bitzer, C. Agens, V. Samueloff, L. McKrell, W. Hall, R. Neth, L. Harrington, M. Becker, M. Ulrich. **4th Row:** A. Kudlock, M. Fabin, H. Miaczynski, V. Simmora, A. Taccone, R. Skoniecka, C. Prelrzak, B. Herrington, K. Hovis, J. Borczon, R. Pius.

As the government needs ambassadors so the student cabinet needs the home room council. They are the link between the teachers and the students—they are the helping staff, an invaluable aid to the cabinet.

Their duties consist of informing the home rooms of the various drives undertaken by our school, collecting auditorium dues and planning the annual production of the Eastcapades.

Under the capable advisorship of both Miss McMahon and Miss Sourwine their duties are sure to be fulfilled with utmost success.

The Masquers' main objective is to develop the acting ability of its members.

In order to become a member of this group you must be a student in senior high and must be voted on by the older group.

Under the advisorship of Miss King, this talented group puts on performances for the students in the auditorium. These performances are greatly appreciated by the students and are well received.

YOUNG AMBITION'S LADDER

1st Row: C. O'Brien, E. Alo, J. Parker. **Standing:** M. Coughlin, J. Bindeman, J. Horton, R. Norman, M. Bukowski, W. Lee, T. Bugenhagen.

A darkened, hushed hall; the dramatic approach of a figure and a determined tap upon the shoulder. For many this is the most important moment in their high school experiences. The Honor Society is announcing in its impressive way its newest members. All realize that one must possess certain qualities to make them eligible for membership. Scholarship . . . Service . . . Honor . . . Leadership. The cultivation of these qualities and pride at being listed among its members is the ultimate goal of a successful school life. So esteemed an organization, then, must have a capable advisor and this position is very adequately filled by Mrs. Ruth Milloy who is loved and respected for her charm and personality as a teacher, an advisor, and a friend.

There are many girls in senior high who plan to go to college. In order to help them decide which one to attend, the Girls' College Club was organized.

Since then, the group has grown until now the membership is about seventy-five.

At our December meeting, Ingelie Carlson, from North Park College and Carol Thompson from Ohio State College spoke to the girls about their experiences at college. Joyce Neth, the representative from Hamot's School of Nursing, explained the training of the student nurses and their attitude toward the work.

With these discussions still fresh in their minds the senior girls will leave with a broader insight into college life.

Our future Admirals . . . Generals . . . Professors and Master Craftsmen, who knows? Perhaps these will be found among the young aspirants of our Boys' College Club.

Their advisor Mr. Warren with his realistic philosophy of life will be an inspiration to these youngsters and under his guidance their ideals will flourish.

Learning to set up copy is a big job in itself let alone learning to organize work and interviewing important people around school. Under the supervision of Mr. Raymond J. Gardner, the Sunrise Staff has put in another year of hard, tedious, work. The staff, consisting of nineteen members, four of whom are Juniors, has worked day by day to produce a better and more attractive year book.

A few of the tasks of a staff member are: organizing and laying out the pictures, making write-ups which are written and re-written to near perfection, and securing names of the students in the various pictures.

Every student at East can look at the lovely Scarlet and Grey Book and remark in admiration: "That is our 1950 Year Book."

Again this year the Cheerleaders have shown their abilities at the rallies and games. Under the able leadership of Miss Chessley, they have led the student body in the support of the teams.

At the beginning of the second semester trials are held. Many students try out, but few are accepted into this organization. These students, in a few years, become the backbone of the cheerleaders.

The twirlers under the direction of Miss Katherine Pille bring color and vivacity to all functions at which they perform.

Each year brings new inexperienced girls who wish to become experts in the art of twirling.

Their goal is finally reached after four years of persistent work.

The Warrior football team finished the season with a record of 2 wins, 7 losses and 1 tie. The team started out by dropping a close one to Greenville. Then they beat their arch-rival, Academy, 14-12. After losing a close one to Farrell, 21-19, and a tough one to Prep, the team came into its own and beat Millcreek 25-0. Then they played Tech in a thriller which ended in a 12-12 tie and finished the season by losing to Vincent. Gordon Kidder, Dick Paterniti, Ross Etter, Jim Kujan and Bill Reese represented East in the All Star Game which the East All Stars won. Returning next year will be "Chuck" Harrington, Dick Pohl, Dick Passerotti, Don Bartos, and Ed Abramoski.

Led by Captain Tom Damico, the little Warriors ended up in second place in the city series championship race. The team, once again coached by Joe Christoff, was aided mostly by a heavy, rugged line which averaged 180 pounds. They won three straight victories before being upset by Tech. Their next defeat came at the hands of the Prep Ramblers. The team finished the season with a record of six wins and two defeats. Contributing to the success of the team was the line crashing of fullback Tom Damico, and the signal calling of quarter Lee Cabeloff. The outlook for next year is very good with Matt Oldach, Nick Gomolekoff, and William Sontheimer returning to their positions.

Finishing the season in second place, the wrestling team had a record of 5 wins and 3 losses. They had only one loss the first round but with the graduation of Paterniti and Rees at mid-year they did not do as well the second half. East had two city champions in DeLuca and Passerotti who wrestled in the district meet. Passerotti won and went to the state eliminations. He was beaten in the quarter finals. Prospects for next year are good with Toran, Carlson, Gibbs, Passerotti, and Oldach returning.

The baseball team had one of its best years last season, ending up in a tie for second place with Prep. Gordon Kidder at center field and Bill Demyanovich at shortstop were chosen for the all-scholastic team. John Joint and George Sachrison, however, were a tremendous help to the team. Joint pitched a one hitter against Academy and Sachrison gave very creditable performances in other games. In the playoffs the East Nine reached the semi finals before losing a heart breaker to Prep by one run. The returning lettermen are Perry Melnitsky, George Sachrison, and Richard Skonieczska.

Coached by John Nease the East Tennis Team had a rather poor season. Led by Larry Sample the racket swingers finished the 1948 season without having the satisfaction of one victory. They ended up by dropping five straight meets. The outlook for next season, however, is brighter with three of the five lettermen returning. They are Arlie Bradish, Bill Oatman, and Elmer Rachocki. In these three boys, Mr. Nease has a good nucleus for the '49 season.

Led by its captain, Dave Bugenhagen, the East High Golf Team finished the season with a record of three wins and nine losses. They beat Edinboro twice and Tech once to tie for fourth place. Although three of his lettermen are graduating, Coach Christoff has some good material to start the 1950 season. Among those who have seen action are the following: Tom Bugenhagen, Ed Kormos and Richard Haglund.

The Harriers finished the season with a record of 2 wins and 6 losses. The team beat Prep twice but was unable to cope with the power possessed by the other schools. Pacing the team were three boys who went to the state meet, Roland Erickson, James Sherrell, and Fred Faulkenburg. Coach Ray Gardner is looking forward to a good season next year since all three of these boys plus many more of this year's squad are returning for action next year.

The East High Speedsters finished the '49 season with a record of one win against five losses. In spite of the rather poor season, Tom Mickol, paced the team by consistantly scoring in every meet. He took three first places in the indoor meet and repeated that record twice in dual competition; he featured in the high jump, discus, and shot-put. Outstanding in the running events was Bob Tracy who ran the 440 and the high hurdles. Coach Howard Mischler is looking forward to a better season next year, for among the returning lettermen are: Roland Erickson, Bill Kelley, Jim Kujan, Francis Szparaga and Chuck Harrington.

The East Hi Splashers captured second place honors in the city series race this year, yielding their city championship to Academy by 1/2 game. Re Richards, our new coach, did a splendid job, for the East High boys were predicted to end up in 3rd or 4th place but finished the season with 7 victories, 1 defeat and 1 tie. Captain Tom Gorbatoff paced the Warriors setting a new city scoring record of 9 points in one game and 44 points for the season. Tom and Ross Etter made the city all-scholastic team

The starting line-up found Capt. T. Gorbatoff and Jim Koenig at forwards, Joe Miller at center, Connie Samano and Joe Cermak at the guards posts, Ross Etter handled the goalie's duties.

The outlook for the next year is very bright with Kenny Schultz, Mike Lepkowski and Carl Feick returning to make a fine nucleus for Coach Re Richards to build on.

The swimming team splashed their way into third place in the city series with a record of 4 wins and 4 losses. Leading the way were Lenny Pamula, Joe Miller, Kenny Schultz, and Joe Cermak. In the district meet, Joe Miller placed second in the backstroke, and John Grabowski placed third in the diving. The 160 yd. relay team, consisting of Schultz, Pamula, Szparaga, and Miller took second place. Many of these boys are returning lettermen and they will give coach Ree Richards a strong foundation for next year's team.

The varsity five ended the season with a record of 13 wins and 11 losses Led by Alo and Bernatowicz during the first half the team was undefeated in both city and section play, but with the graduation of this pair at mid-year they suffered three defeats. East scored one of the biggest upsets of the year by beating Oil City 34-33. In the playoffs for the city title, the team drubbed Academy 38-20. They went on to take the title but lost to Hickory in the District 10 playoffs. With Latina, Harrington, Morris, and Abramoski returning, Coach Bob Arrowsmith has a fine nucleus for a strong team.

After school is the most important part of the school day for many girls interested in sports. Not everyone is interested in the same sports thus many are offered. Life Saving and Swimming are offered for those interested in water sports. Tennis, tumbling, volleyball, and basketball are offered for those who prefer other sports.

The competition between teams is very great, because everyone wishes to be Champion. Home Room basket-

ball and volleyball are most popular among the girls. They compete for senior and junior championships, and later in the season for the school championships.

SCHOOL LIFE

The heart of the school lies in its extra-curricular activities. After all, what better definition could one give for "school life" but the life you lead in school. The way you go about participating in these activities has much to do with how great a success you will be in future years.

With so many opportunities to join such fine organizations as the "M" Club, the Cheerleaders, the College Clubs, and the Swimming Clubs, one should realize that there is much more to school besides the daily routine of classes.

In order to prepare oneself for the spacious outside world it does each individual good to take part in activities and organizations. This proves his capability to lead as well as follow the leadership of his fellow classmates. With so many advantages and marvelous opportunities we should endeavor to make the best of our school life.

1. The senior gab session.
2. Too many cooks spoil the broth.
3. All together now.
4. Warriorettes.
5. Camera, lights, smile pretty.

Dear Johnnie.
I wish you all the happiness in
the world, all through your future years. May we
always be close friends ever long after Grad-
uation years. I'll still keep sticking up for
you honey when you come home late from your
girls house. You know your really one of the nicest
brothers a girl could have. Sometimes you make
me awful mad but we all have our little faults
in this world and I want you to know that
I still think I'm pretty lucky to have you and I'm sure you
succeed as you are honey and I'm sure you
stay as nice as you are. Hope to see you
ever forget this summer. Please don't
of fun this summer. Please don't
ever forget your sister
